DATE: January 28, 2021
RE: **Scholarship Deadline – March 1**

As a reminder, the deadline for this year's James R. Hoffa Memorial Scholarship Fund (JRHMSF) Academic and Vocational/Training Program scholarship applications is March 1. The fund looks forward to a record number of applications from high school seniors who are the sons, daughters or financial dependents of Teamster members.

The scholarship awards range from \$1,000 to \$10,000 for Academic scholarships and \$500 to \$2,000 for Vocational/Training Program scholarships. The application process is on-line and can be reached at: www.jrhmsf.org

Additionally, the JRHMSF, through our administration firm, ISTS, offers tuition discounts to various colleges and universities. The information on the tuition discount program can be found at <https://www.applyists.com/tuition-discount-network/> (The tuition discount program is independent of the JRHMSF and does not require that a student be a recipient of a JRHMSF award.)

Along with this memo is a flier for use at your local union hall.

Thank you.
